A: It isn't necessary to put the serial number in the title.

Your serial number is hidden by the automatically generated title. The title is what is displayed. The serial number is just a label, any label, for when you want to make the title a link to the serial number page. Q: 'file

name' is not recognized as an internal or external command error in Vs Code I am facing an issue with this error in Vs Code. I have python file 'v1.py'.
import operator
import requests
import json
import pandas as pd
input = str(input("Enter Folder Path: "))
print(input)
workspace = VisualStudioCode.createWorkspace()
workspace.addFiles(input)
workspace.open()
Inside this python file i am using some Json files.
import matplotlib.pyplot as plt
import os
import numpy as np

```
import pandas as pd # retrieve data # i already have a
    requirement to set a folder path and file name
