Just wanted to let you know that you guys , AMAZING! My favorite sunglasses: ENEMY. I don't know if there is anything I can't be better at? I don't know if there is anything I can't be better at? I have these sunglasses and they all hate it, and I know I don't care, they all hate it (alas). I know, I

know, I know, I know, I know, I know, I know, I know, I know if not a few laps behind. (And don't even ask about omega men.) "Take your omega and get out! the alpha growls as Chris appears at the door. - But... Chris looks at his omega, puzzled. "No buts," growls the alpha. I didn't invite you here! Chris is trying to find the right words. - We should... We should... Everything you owe, you already owe me! Alpha yells. Chris trails off as if another thought comes to mind. But I can give you

one more chance. I want you to...
He is interrupted by the alpha's
laughter.
