microsoft office 2019 suite provide features to make the process of creating documents, spreadsheets, presentations, and drawings easier. these include new templates and ribbon icons, a new document database, and improved editing, formatting, and analysis tools. the new tools in this edition are similar to those in office 2016, but are more powerful and easier to use. the microsoft office 2019 suite provides features to make the process of creating documents, spreadsheets, presentations, and drawings easier. these include new templates and ribbon icons, a new document database, and improved editing, formatting, and analysis tools. the password field of the user account dialog of microsoft office pro plus 2019 (x86 x64) cannot be edited. when editing a user account which is disabled, the request for the login data will be sent, the password field is filled with a random string. open the "user account dialog" of microsoft office pro plus 2019 (x86 x64) by going to menu tools > user account settings and edit the user account. the password field is filled with a random string

when it is disabled. this is version 1808 of the microsoft office pro plus suite. it's the 14th version of the office 365 proplus suite. it's been a while since i've posted any news about it, but a lot's been going on behind the scenes. i've been focused on our hackthisworld.com site and will be doing most of my twitter and reddit updates from now on. 1808 is available from the office 365 proplus app store. if you already have office 365 proplus, just go to the app store and search for office pro plus (office 365 proplus is the 'subscription' version). there's a new item in there! if you're not a subscriber yet, you can sign up to office 365 proplus for a year for only \$99.95 (or \$9.95/month). it's a good deal for multi-users or for folks who want a little more than what o365 office delivers.
